Lucas Stoltman

EXPERIENCE

Microsoft (Experis) — *Tier 2 Tester* | Redmond, WA
October 2019 - Present

Acted as a gatekeeper for bugs between the testers and the developers. Making a more advanced call whether the bugs were actually actionable within the scope of the project.

Microsoft (C2S Tech.) — *Software Cert. Tester* | Bellevue, WA
July 2016 - October 2017

Tested dozens of Xbox One games to ensure they adhere to Microsoft's strict performance standards.

Nintendo (Aerotek) — *QA Tester* | Redmond, WA
Summer 2015

Debugged games and general quality assurance. Worked on intricate tasks involving massive excel spreadsheets and ticket systems.

American Eagle Outfitters — *Sales Associate* | Lynnwood, WA
October 2017 - March 2018

Involvement working the register and general customer hospitality while keeping a clean and orderly store. Wanted to experience working retail on Black Friday.

EDUCATION

Cascadia College, Bothell WA — *Associate in Integrated Studies*
2017 - 2018

- Computer Programming Foundations Certification
- Javascript Programming Certification
